**What does the Bible Say?**

**Presenter – Mr. John Fitzgerald - Heritage College Library**

**110 Cross St, Kemps Creek - 2.30 pm, Sunday March 3**

**Refreshments provided**

For over 40 years Britain has been part of a European alliance. Yet for over 150 years Christadelphians have believed from the Bible, that a political separation between Europe & Britain is inevitable before Christ's return. The Bible is not an out-dated book with nothing to say about events of today: it explains what will happen next in God's plan for the world and what we can do to have a place in it. We're holding this special public event to help people understand the Bible better and to discover for themselves it's prophecies.

The talks are free and you are very welcome to join us to learn more about the Bible.
